

NEBOSH IIRSM Certificate in Managing Risk

We are living in very uncertain and disrupted times, so it has never been as important for organizations to reduce threats and maximize opportunities or, to put this another way, to manage organizational risk! Effective risk management helps ensure better decisions are made that will protect people, organizations, and reputations. NEBOSH and IIRSM have combined their expertise in education and risk to deliver a qualification that can help you achieve this.

Who is it for?

The NEBOSH IIRSM Certificate in Managing Risk is a perfect choice for anyone who wants to be able to identify, evaluate, and manage organizational risks and understand their impacts. It is particularly relevant for risk professionals looking to gain a broader view of risk beyond a specialism such as health and safety, quality, or business continuity.

What will I learn?

This qualification is available via eLearning, which means you can complete your studies at a time, place, and pace convenient to you.

The eLearning course provides a comprehensive overview of business risk, and through your studies you will learn:

- the principles of risk and risk management
- the risk management process and framework based on ISO 31000
- the relationship between psychology and decision-making
- how to analyze the environment in which an organization operates, identifying potential risks and opportunities
- the relationship between risk management, business continuity, crisis management and organizational resilience.

Length of Course

It will take a minimum of 28 hours to complete the NEBOSH IIRSM Certificate in Managing Risk eLearning course and a further 1 hour for the assessment. The standard enrolment period for the course is 90 days from receipt of your joining instructions, and the assessment needs to be completed within this period.

How is it assessed?

Your knowledge and understanding of the syllabus are tested by an onscreen multiple-choice examination. It is available on-demand, which means once you have completed the eLearning course, you can take the assessment at any time and will receive your results immediately.
